They announced Road closures starting tomorrow. The barriers are going up, saw them today. And the complete closures and towing in the mall area are announced to begin at midnight on the 5th and continue until midnight on the 6th Stupid is as stupid does.

Only certain areas in downtown DC will be closed to cars to allow for foot traffic for the protest.

Yes. There's a huge ass protest going on, this makes sense. i don't know why people are screaming over it. Do you want cars and people on the same road? I don't.

Depends on which protestors, and who's driving the cars ;-)

Those road closures are routine for major events and protests.

I have been going back and forth for a week on going or not. Just booked a room for 2 nights and I am leaving in the morning. No gun though, because I am not stupid.

Kinda got me thinking what if things go down elsewhere while all the Patriots are in DC

I thought the same. Everybody that can't be in DC should be in their state capitals, or wherever the high-ranking officials are going to be that day.

they won't stop the fear mongering because it's destructive misinfo that works to their advantage. half of what you see, nothing you hear.

Focus on the signal, patriots. This is war. Head on a swivel. Expect danger, distractions, misdirection. Stare down your fear.

The road closures are similar to Nov 14th. Parking Panda has been good to use and if the reservation gets cancelled you should be able to use Union Station. Parking on 9th street or lower should be ok (if it's like Nov).

Can the mods ban these fear mongers for life. This is disgusting. I've been blocking the turn back posts. Now it turns out they are all full of shit. Keep on fighting the good fight out there Patriots.

They can't close down DC. People work there, including first responders, government employees, etc.

I said that would be bullshit from the start. They are intending though to block the roads around the inner zone but you would be retarded to try driving around there anyway. Even on an average day it's miserable especially if you are someone not used to city driving.

Can confirm, roads look wide open.

Came in from the north.

Saw about 1 Exit closed and 1 Side street inside the city closed on the way.

If I can do it (twice) you can too.
